"Making Tracks for Celiacs"
The Fourth Annual International Walk for Celiac Disease, www.celiacwalk.org

Please consider helping us in the fight against celiac disease by supporting the Celiac Walk. Thousands of celiacs' internationally, with their friends and family members, have already committed to walking miles to raise money to support current and future education and research relating to celiac disease. Twenty-five percent of funds raised will be retained to fund local efforts, including the Great Gluten Escape Camp! The Center for Celiac Research, based at the University of Maryland, Baltimore, will receive the remaining 75% to fund new projects and work relating to developing a permanent treatment for celiac disease. These donations are tax deductible.
Please make your check payable to *Center for Celiac Research*.
